### Set Up Time for Market

- Hall access is from no earlier than 9am (for insurance reasons).
- One hour set up from 9am to 10am. This gives you time to create your display! The hall closes at 3.00pm.
- **Hall doors will be closed at approx. 9.45am** to dissuade enthusiastic shoppers from coming in before stall holders are comfortably set up!
- Please ensure all your items are unpacked from cars and in the hall by 9.45am.
- The name given on the booking is the assigned stall holder (for insurance reasons).
- Please let us know if you have a backup stall holder.
- Once booked, please attend as it's likely someone else has missed out!
- Please note, **stalls are to stay operational until 2pm**. This gives your stall maximum exposure on the day, and your shoppers the best preloved market buying experience.

### Purpose

If you've got a wardrobe bursting at the hinges, or a pile of gorgeous shoes, handbags, hats, belts, scarves etc. (...the list probably goes on!) that are no longer worn then a preloved stall is just the place to set them free to be loved anew, whilst making some cash! The perfect place to sell, and buy (it's all too tempting!), preloved fashion.

### Stall Hire Fee

**What does the stall hire fee cover?** It covers the hire of your stall/s at this market, and the opportunity to display your collection over the 4 hours of operation.

**\$20 for 1    \$35 for 2    \$55 for 3**

### We supply:

- Public liability insurance
- A chair per stall
- Change room (with mirrors)
- A fun atmosphere!

### You supply:

- Whatever furnishing/props you want to set up and fit in your booked stall/s - racks, trestles, tubs, hat stands, mannequins, etc.
- **BYO racks and/or trestles**
- Please **no clothes drying racks**.
- You can book the number of stalls to best display your collection.
- We love you to be creative and personalise your stall/s!

### Parking

Plenty of parking is available. However, please note that the carpark next to the hall belongs to the second-hand bric-a-brac shop. As such, **they request that after a temporary drop off/pick up stall holders move their cars** and park either on the street or in the large free council carpark just down the road (towards the beachfront).

### Refreshment

Free tea and biscuits are available (in the kitchen) for stall holders. A coffee van/tent is outside the entrance for you and your shoppers to enjoy.

Let your friends know there are also plenty of fab eating, drinking and coffee-break places a stone's throw from the hall – and overlooking the beach. Kingston Beach has a dog-walking area too – and we have a water bowl available for patiently waiting dogs!

### Change room

A change room is available. It is at your discretion if you'd like them to pay (in full or a deposit) before trying, and refunding if not right for them.

### Quality

The Preloved Clothing Market is for good quality preowned clothing and accessories. Please keep it a market for quality clothes. If you have any doubt about what clothing items to sell or how to price them, please contact Amal for a copy of the **Preloved Selling Guide**.
